## PROJECTS

### EduHelp Forum

A website aimed at making studies more interactive by building a community among college batchmates and seniors can be a valuable tool for students. It is a website where students can share study materials and ask doubts..

#### Features and Functionality

- **Student Registration:** Enable students to register with their email addresses to verify their identity.
- **Resource Sharing:** Enable users to share study materials, notes, and resources.
- **Doubt Section:** Students can post their doubts which can be answered by peers or seniors.
